

HOLOCOSTIANITY

Today the world is under the grip of a new religion: Holocaustianity. This program is designed to assign meanings to the Jewish agenda, and places a powerful spell over the minds of the Gentiles. It is powerful propaganda in the aims of the Jewish agenda. Its premise is the foundation for numerous special laws, making the Jews beyond and above any criticism. It is further used as a tool to silence all debate and steamroll anyone who opposes their agenda. It delegitimizes any information that exposes them, along with those who do, and gives them moral precedent for their Jewish state in Israel; the greater world system they wish to rule from Israel. It is also a powerful steroid for their Cultural Marxist [PC's real name] ideology, which is designed to destroy any healthy, organic psychological or material institution that by its nature, hinders Jewish destruction, and the assimilation of their nation into the claw of the Jew World Order.

To understand the truth, the Jew has made it illegal in many areas to research this subject [truth does not fear investigation]. We now look at what is really happening and shine the light on this situation.

The International Jew manipulated the Great War into existence that swept up Europe. The reason for this was to destroy the old order of Europe and to establish a foundation for International Communist takeover, along with forcing the entire West into debt with Jewish banks. This played into the first part. During the war however, something unexpected occurred. In 1915, the German Kaiser realized this war was not the quick push to victory as planned, and extended an offer of Peace to England, to end the war with Germany withdrawing to the pre-1914 boundaries. He stated the war was destroying the best of the young generation of Europe.

As Freedman who was a large player among Internationally Jewry confessed, the Jews in England then made a deal with the other half of the government. They would get their brethren in America to force America into the war, in return for Palestine as a Jewish state. The Gentile faction wanted to break Germany's Empire and international economic rivalry, which was the traditional English policy in dealing with Continental European powers, agreed.

Wilson, the American President who by his own and Freedman's confession was nothing but a tool of Jewish interests [He passed the Fed act], just after being elected on a policy of noninterference in the war in Europe, had the American government vote for war against Germany and their allies in Europe.

The entire time this was occurring, Jewry was strengthening their Communist movements in Europe. In 1917, the German Jewish elite secretly conspired with their connections in Russia, to send a private armored train carrying large sums of money for Communist aid, along with a secret passenger, the Jew, Lenin across the border into Russia. The rest is history.

During this time, the Jews in Germany were working in the same they were in Russia— using the extreme conditions the war had created on the population to exploit every issue to generate a powerful Communist movement. They were also spreading defeatist propaganda into the German society that made its way to the front with the new recruits. The Jews made the deal in England simply to keep the war going, they had no intention of Germany victory. With a strong German Empire, Communism would never succeed in Europe. The control of Germany was the key to their victory on the large part of the Continent.

There had been large Jewish manipulated, Communist style uprisings in the German Empire in the previous century that had been crushed. The old order had also crushed the Communist revolt in the Paris Commune. They needed Germany to be destroyed in order to secure Communism. Germany launched their last great offensive of the war in 1918. This was to end the war before America could come in at full force against them. The results were the German forces had won the war, and the French were taken out of action. The only English army standing between Germany and Paris had been broken. Then the stab in the back came. The Jews caused a Communist revolt among the workers, the populace, and the Navy. The Jewish demoralization of the Army and home front all came together. With this Jewish borne betrayal, the offensive lost steam and the war was lost. Two million men had just died in four years of war, to be betrayed by the Jews.

The treaty the Internationalist Jew forced on Germany was intended to weaken Germany for Jewish takeover via their networks of Communism.

The Jews went right to work their Cultural Marxist brigades and began to attack very aspect of German culture and the national soul, indoctrinating Germans with self-hate and shame over being a German, and demoralizing them for the final Communist plunge. The Jews tried to pull Germany into full Communism by the violent takeover tactics such as the Spartacus uprising. This was planned to finish off Germany, the way the Jews did with Russia. It was their signal for the end of a free Germany.

The Thule society was the force that countered the Jewish plans and was the only force able to counter them effectively. Here is an example of what was going in Germany with the Jewish Communists:

The Marxists realized their revolution would have to accelerate, since they could not win at the polls. In Berlin, the Jews Karl Liebknecht and Rosa Luxemburg had amassed 100,000 supporters, two thousand machine guns and 30 artillery pieces. They invaded Berlin, took over most of the government buildings, and declared the Ebert government overthrown by their "glorious" Communist revolution.

On 10 January, Noske, and 30,000 ex-soldier volunteers swarmed into Berlin.

They were highly disciplined men used to carnage and slaughter from their fighting at the front. They broke through and decimated the 200,000 defenders, though vastly out-manned and with less equipment. The leaders of the Red Revolution were shot or bayoneted. The "glorious" Communist revolution in Berlin did not last a week."

The Free Corps that successfully defeated Jewish Communists several times in Weimar, the Rotfrontkämpferbund troops had all been organized at the top by the Satanists of the Thule Society who saved Germany from the Jewish death grip in the 11th hour, literally. You can see the sacred emblems of Thule on the Free Corps helmets.

The Free Corps re-took Munich, and were angered given Russian soldiers that they had defeated recently were armed and active against them yet again. After the city had been taken, the Free Corps marched through the town with swastika emblems on their helmets. Cheering crowds lined the roads to thank their liberators.

The Jews were also destroying Germany via organized crime networks, which were pumping drugs and filth into the cities, and the Jews in general were involved in thousands of frauds to steal wealth and property from the Germans. Rich Jews would sit in restaurant windows, teasing and mocking the starving Germans standing outside who had not eaten in days due to the economic situation. A million people died of extreme poverty in this time, as a result of the consequences of International Jewry infesting their nation. The Jewish banksters had purposely planned and brought about the great depression to steal wealth from Gentiles and with this, created numerous problems where their Communist revolution would gain power by creating the problems, inciting reactions, and pushing their Jewish solution. Everything rotten and harmful in Germany at this point was overflowing at the top with Jews, as Hitler rightfully noted.

It is the same today in the Western world. The Jews had attacked Germany almost to the death, Germany, the very nation that trusted them and made them a full part of its life in good faith.

Then against all odds, something finally occurred that put an end to this all out attempted murder on the German people and nation:
"In coming before the public as National Socialists with this conception of the real strength of a Folk, we know that today the whole of public opinion is against us. But this is indeed the deepest meaning of our new doctrine, which as a world view separates us from others. – Adolf Hitler "The Second Book"

Those words were written in 1926 when the Party was fighting for the survival of Germany at a hundred thousand votes. Three years later the National Socialist Party received two million votes, the next election thirteen million votes, and with

the next election, Hitler was elected as the Chancellor of Germany. The Truth had won out.

With the new Hitler government, order was first restored. This was done by arresting en mass the criminal elements that were out of control in Germany, partly due to the effects of extreme poverty. Vigilante squads were killing criminal elements in the streets in a desperate attempt to save their communities and to protect themselves and their families. What this meant is that hordes of pimps, drug dealers, professional criminals, financial crooks [no different from Jewish, Wall Street, today] and the general people who populate any prison were rounded up and placed in new camps, as the standard jails were already over populated. This was part of the progressive socialist thinking. That by hard work a personal could be reformed into a moral human being and reintegrated back into society.

It is no mistake that a large percentage of these criminal individuals happened to be Jewish, for such a tiny minority of the population. They comprised the bulk of the criminal elements in all areas.

The large number of Communists in Germany, with orders and funding from the major base of International Jewry, Moscow [no mistake Russians were found among the Reds in Germany before], yet planned another violent uprising against the newly elected government, which is true to their style. They don't respect a nation's right to self-determination. The Communist burning of the Reichstag was the signal of this revolt. This caused the German government to have to declare martial law, and arrest the Communist leadership, placing them in the new detention camps, in order to stop this uprising from happening.

98% of the Communist leadership in Germany was Jewish, with those at the top being 100% Jewish.

This is what the Hitler government was fighting to prevent from happening to Germany and the rest of Europe:

The Jewish Communist regime in the East by record, murdered over 60 million human beings— many in slave labor death camps all run by Jews.

No one was put into camps before the War just for being Jewish. However, the Jews were put into camps en mass for their criminal, Jewish behavior. Just read the Talmud to understand why. Judaism is an organized crime racket against the Gentile world.

There was a reason the Jewish populations in Europe had been traditionally moved into Ghettos with high walls around them, and gates that were locked at night and guarded by armed watchmen, with all of the Jews having to be inside

before nightfall. This was to protect the Gentiles from the Jews. The Czar had to move them into the Pale for the very same reasons.

The plan was to relocate the Jews out of Europe and to their own region. This was the only "Final Solution," as honest historians who lost their careers and have been imprisoned for being honest, have noted repeatedly. Since the Jews had nearly annihilated Germany, sending millions of Germans to their graves in return for Germany trusting them, the government took the best and humane course of action with them. They could have killed them at this point but they didn't. Freeman admits all of this. Germany was negotiating with the Zionists to help relocate the Jews to another area where they would have self-determination and separation. The Jews were not rounded up or put into camps over this. It was a voluntary movement. Many Jews simply wanted to leave, as they could no longer make a living from dishonest means.

Then as Freedman stated, the leaders of world Jewry met with the representatives of the German State, and ordered them to return all their fellow Jews to their former positions of power that they had used to nearly destroy the nation with, or face war with the nations that the International Jews controlled. The Germans refused. The first act was an economic embargo placed upon Germany that would leave a third of the German people to starve. The Jews were attempting to break Germany from within, and put it back under their control for their final aim. This failed, and the Jews pushed the world into war with Germany.

During the war, the German government found that every single subversive organization in their territory even within Germany, that was attacking their civilians and troops, spying for the Allies [of Judah] and everything in-between to defeat the war effort, and cost Germany the war, just as in the Great War, were all Jewish and were working with the International Jewish networks behind the Allied governments. In order to deal with this vast Jewish fifth column, which was literally international, they simply did what America did with the Japanese living in America during the Second War. They put them into internment camps, as a war safety measure.

All that happened was due to the fact Germany was laid to ruin by Allies [of Judah]. Night and day, bombing raids destroyed the entire infrastructure of Germany. Millions of Germans were already starving and boiling shoe leather to try to stay alive, and thousands had been killed in the bombing raids, that were targeting civilians for Talmudic purposes. The camps were being constantly bombed by the Allies, as they were industrial centers. The people who died in the camps simply died for the same reasons as hundreds of thousands of Germans. It was from the results of the war and nothing else. This has been proven repeatedly, even during court trials. There were no homicidal gas chambers or any organized exterminations of Jews. The Red Cross had observers in the

camps the entire time and nothing of the such was ever stated. This is what Freedman confessed also.

The only people being purposely exterminated in camps were Eastern Europeans in the Jewish operated death camps inside the USSR, and after the war, the Allies of Judah's POWs camps, over 50 thousand German soldiers surrendered, many only 15 years old were systematically murdered on orders from the Jew Eisenhower.

The main reason the Jews created this lie, was to hide the truth that the Germans had to put them in camps to protect themselves from the Jews. Just as many nations had done in their own way from the Pale to the walled and guarded Ghettos.

They had to turn Hitler into an icon of evil, because if you tell the truth about Hitler, you tell the truth about the Jews.

“The Jew is immunized against all dangers: one may call him a scoundrel, parasite, swindler, profiteer, it all runs off him like water off a raincoat. But call him a Jew and you will be astonished at how he recoils, how injured he is, how he suddenly shrinks back: “I’ve been found out.” – Joseph Goebbels
